

# Profile

## *Introduction*

Wekisac Ltd is an indigenous Steel fabrication and production company incorporated in Nigeria. We are involved in the fabrication of all kinds of metal structures and maintenance. We have a team of highly skilled Welders, Mechanical and civil Engineers who put their best in ensuring that the company's quality and excellence policy is sustained at all cost.

We are known for Excellence and prompt quality service delivery. Our Quality service delivery policy is strictly adhered to by all staff under any given circumstance.

We boast of our team because they are highly trained and skilled at discharging their duties with no errors.

The workforce is supported by a highly qualified management team.

We understand the risk factors of metal structures and we are poised towards quality service delivery. We have world class equipments that make our jobs stand out.

Our workshop is well equipped with facilities for machining, fabrication, pipe spooling, plant and general maintenance, structural steel and plate fabrication.

# *Mission Statement*

At Wekisac Ltd, we believe that the true and full measure of growth, success and progress lies beyond balance sheets or conventional economic indices. It is best reflected in the difference that businesses and industries make in the lives of people.

Wekisac Ltd commits to its people a steadfast policy of providing and continually improving a safe and healthy work Environment.

Our pledge to our Customers is to provide quality and value-added construction services by creating a successful win/win partnership while establishing lasting relationships with the highest levels of excellence, professionalism, integrity, honesty and fairness in our relationships.

The commitment to our Community is to continually strive and implement programs/measures to do whatever needs to be done to protect and preserve our environment.

## *Our Vision*

At Wekisac Ltd, we aspire to exhaust every limits of possibilities
