25th September 2024

The Ag Vice-Chancellor

Nnamdi Azikiwe University

Awka

Madam

### Notice of Withdrawal of Services

Recall our letters to you of 2nd August 2024 and 17th of September 2024 on the deliberate intention to exclude our members (clinical lecturers) from contesting for the position of the Vice-Chancellor of Nnamdi Azikiwe University. Recall that we specifically asked for the withdrawal of the obnoxious advert for the position of the Vice-Chancellor of Nnamdi Azikiwe University in order to guarantee industrial harmony.

We observed that up till now the advert still stands and our members remained excluded from the contest for two (2) weeks now.

The congress therefore resolved to proceed on an indefinite withdrawal of services by all the clinical lecturers of Nnamdi Azikiwe University in the Faculties of Medicine, Basic Medical Sciences, and Basic Clinical Sciences until this advert is withdrawn.

We believe you can still prevail on the council to do what is right and just being a "learned gentleman", and from the learned profession.

Accept the assurances of our highest regards.

Dr. V. I. Modekwe  
Chairman
